| Defendant. |) | |

I am in receipt of the presentence investigation report and addendum in this case. Except for the objections to drug quantity (filing 39), there are no objections or motions for departure or variance.

IT IS ORDERED that:

(1) The undersigned will consult and follow the Guidelines to the extent permitted and required by *United States v. Booker*, 543 U.S. 220(2005) and subsequent cases. *See, e.g., Gall v. U.S.*, --- S.Ct. ----, 2007 WL 4292116 (2007). In this regard, the undersigned gives notice that, unless otherwise ordered, he will (a) give the advisory Guidelines such weight as they deserve within the context of each individual case and will filter the Guidelines' general advice through §3553(a)'s list of factors¹; (b) resolve all factual disputes relevant to sentencing by the greater weight of the evidence and without the aid of a jury; (c) impose upon the government the burden of proof on all Guideline-enhancements; (d) impose upon the defendant the burden of proof on all Guideline-mitigators; (e) depart from the advisory Guidelines, if appropriate, using pre-Booker departure theory; and (f) in cases where a departure using pre-Booker departure theory is not warranted, deviate or vary from the Guidelines when there is a principled reason which justifies a sentence different than

¹However, I will no longer give the Guidelines “substantial weight.”

that called for by application of the advisory Guidelines.²

(2) The objections to drug quantity will be resolved at an evidentiary hearing and 1.5 hours of time is allocated to that hearing. The government shall be allocated 45 minutes and the defendant shall be allocated 45 minutes. That hearing will be held on Thursday, May 6, 2010, from 12:00 noon to 1:30 p.m. Additionally, the parties are advised that I have recalculated the base offense level using an 18 to 1 ratio for crack as found in Senate Bill 1789, and the base offense level remains the same (level 30) assuming the drug quantity amounts are as set forth in the presentence investigation report.

(3) Except to the extent (if at all) that I have sustained an objection or granted a motion or reserved an issue for later resolution in the preceding paragraph, the parties are herewith notified that my tentative findings are that the presentence report is correct in all respects.

(4) If **any** party wishes to challenge these tentative findings, said party shall, as soon as possible, but in any event at least five (5) business days before sentencing, file in the court file and serve upon opposing counsel and the court a motion challenging these tentative findings, supported by (a) such evidentiary materials as are required (giving due regard to the requirements of the local rules of practice respecting the submission of evidentiary materials), (b) a brief as to the law and (c) if an evidentiary hearing is requested, a statement describing why an evidentiary hearing is necessary and how long such a hearing would take.

(5) Absent submission of the information required by the preceding paragraph of this order, my tentative findings may become final and the presentence report may be adopted and relied upon by me without more.

²See note 1.

(6) Unless otherwise ordered, any motion challenging these tentative findings shall be resolved at sentencing.

(7) The government's motion to restrict (filing 41) is granted.

Dated April 21, 2010.
